Through meticulous research and thought-provoking analysis, Doe traces the origins of racism from its earliest manifestations to its contemporary expressions. She delves into the complexities of race as a social construct, exploring its psychological, political, and economic dimensions.

With an unflinching eye, Doe exposes the systemic injustices and biases that have marginalized and oppressed people of color throughout history. She examines the devastating effects of racism on individuals, communities, and nations, shedding light on its enduring legacy and the urgent need for transformation.

### **Praise for 'Biography of Race'**

- "A groundbreaking work that challenges our understanding of race and its profound impact on our world." - The New York Times

- "A must-read for anyone committed to understanding the complexities of racism and its enduring legacy." - The Guardian
- "Jane Doe's meticulous research and insightful analysis provide a roadmap for dismantling the structures of racial inequality." - The Washington Post
