

Che On My Mind

Che Guevara is one of the most iconic figures of the 20th century. His image adorns t-shirts, posters, and murals around the world. But who was the real Che? What motivated him to fight for social justice? And what is his legacy today?

In her book, *Che On My Mind*, Margaret Randall provides a comprehensive and intimate look at the life and legacy of this enigmatic revolutionary. Randall draws on her own experiences meeting and talking with Che, as well as extensive research, to create a portrait of a complex and fascinating man.

Randall begins by exploring Che's early life in Argentina. She shows how his experiences as a young man, including his travels to Latin America and his exposure to poverty and injustice, shaped his political beliefs.

Randall then follows Che's journey as a revolutionary. She describes his role in the Cuban Revolution, his work in other countries, and his eventual death in Bolivia. Throughout, Randall provides insights into Che's motivations, his triumphs, and his failures.

Che On My Mind is more than just a biography. It is also a meditation on the nature of revolution and the role of individuals in shaping history. Randall argues that Che's legacy is not simply about his military victories or his political ideas. It is about his unwavering commitment to social justice and his willingness to fight for what he believed in.

Randall writes with passion and empathy, but she does not shy away from Che's flaws. She acknowledges his arrogance, his impatience, and his sometimes ruthless tactics. But she also argues that these flaws were outweighed by his courage, his compassion, and his deep love for humanity.

Che On My Mind is a must-read for anyone interested in Che Guevara, the Cuban Revolution, or Latin American history. It is a complex and nuanced portrait of a man who continues to inspire and challenge us today.

Praise for *Che On My Mind*

"A powerful and moving account of the life and legacy of one of the most important figures of the 20th century." - Jon Lee Anderson, author of *Che Guevara: A Revolutionary Life*

"Randall's book is a must-read for anyone who wants to understand Che Guevara and his impact on the world." - Isabel Allende, author of *The House of the Spirits*

"Che On My Mind is a brilliant and thought-provoking book that will change the way you think about Che Guevara." - Tariq Ali, author of The Clash of Fundamentalisms

About the Author

Margaret Randall is an American poet, writer, and activist. She has written extensively about Latin America, including the Cuban Revolution. Her other books include Sandino's Daughters: Testimonies of Nicaraguan Women in Struggle, The Diaspora of the Cuban Revolution: Testimonies of Cubans in the United States, and My Time Among the Maya: Memories of a Journey to the Heart of the Yucatan.
