Once upon a time, there was a little girl named Lily who loved to read. She would spend hours in her room, lost in a good book. One day, Lily was reading a fairy tale when she suddenly found herself inside the story!

Lily was amazed by the beautiful world around her. There were talking animals, friendly fairies, and even a handsome prince! Lily quickly made friends with all the creatures she met, and she even went on a few adventures with them.

One day, Lily came to a clearing in the forest. In the middle of the clearing was a beautiful castle. Lily was curious, so she decided to go inside. As she walked through the castle, she heard a strange noise coming from one of the rooms.

Lily cautiously opened the door and peeked inside. She saw a beautiful princess sitting on a throne. The princess was crying, and Lily asked her what was wrong.

"My father, the king, has been captured by an evil sorcerer," the princess said. "He has been taken to the sorcerer's castle, and I fear he will be killed."

Lily felt sorry for the princess. She decided to help her rescue her father. Lily and the princess set off into the forest, and they soon came to the sorcerer's castle.

The castle was dark and gloomy. Lily and the princess crept inside, and they soon found the king. He was locked in a dungeon, and he was being guarded by a fierce dragon.

Lily and the princess knew they had to be careful. They didn't want to wake the dragon, so they tiptoed past it and unlocked the dungeon door.

The king was so happy to see Lily and the princess. He thanked them for rescuing him, and he gave them a magic sword. "This sword will help you defeat the sorcerer," the king said.

Lily and the princess took the sword and went to find the sorcerer. They found him in the castle's throne room. The sorcerer was a powerful wizard, but Lily and the princess were not afraid. They fought bravely, and they eventually defeated the sorcerer.

With the sorcerer defeated, the king was free. He thanked Lily and the princess for their help, and he invited them to stay in the castle as his

guests.

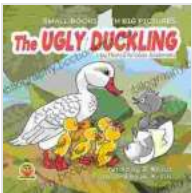

Lily and the princess were happy to accept. They stayed in the castle for many years, and they had many more adventures together.
