Christopher Wren is a brilliant but troubled operative who has seen the darkest corners of the world. Haunted by his past, he has dedicated his life to fighting evil and protecting the innocent. But when a madman threatens to unleash a deadly weapon that could kill millions, Wren knows he must stop him at any cost.

Wren's investigation leads him into a dangerous game of cat and mouse with the enigmatic terrorist known only as "The Firestorm." As Wren gets closer to the truth, he discovers that The Firestorm is more than just a madman - he is a master manipulator who will stop at nothing to achieve his goals.
