The author was raised in a wealthy family and had everything she could ever want. But beneath the surface, she was struggling with addiction and depression. When her husband was arrested for drug trafficking, she was left to pick up the pieces.

Desperate to save her family, the author turned to crime herself. She was arrested and sentenced to five years in prison.

In prison, the author hit rock bottom. She lost everything she had: her home, her family, and her freedom. But she also found something she never expected: hope.

With the help of a chaplain and a supportive group of inmates, the author began to turn her life around. She got sober, learned new coping mechanisms, and developed a relationship with God.

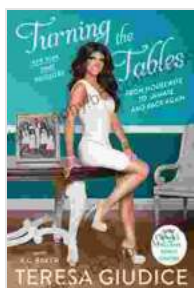

After serving her time, the author was released from prison and returned to society. She has since rebuilt her life and is now a successful businesswoman and author.

From Housewife to Inmate and Back Again is a powerful and inspiring story of hope, redemption, and the power of the human spirit.
