Nagara's work is rooted in the belief that everyone has the potential to make a difference in the world. He believes that by working together, we can create a more just and equitable society for all. Nagara's activism has focused on a wide range of issues, including poverty, education, health care, and human rights.

## **Poverty**

Nagara believes that poverty is a root cause of many of the problems facing our society. He has worked tirelessly to find solutions to poverty, both

in the United States and around the world. Nagara is a co-founder of the Jubilee USA Network, a coalition of organizations that works to cancel the debts of poor countries. He is also a member of the board of directors of the Center for Global Development, a think tank that works to promote economic development in poor countries.

## **Education**

Nagara believes that education is essential for creating a more just and equitable society. He has worked to improve access to education for all children, regardless of their race, class, or background. Nagara is a co-founder of the Asian American Legal Defense and Education Fund, a nonprofit organization that provides legal assistance and education to Asian Americans and Pacific Islanders. He is also a member of the board of directors of the National Education Association, the largest labor union in the United States.

## **Health Care**

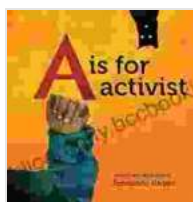

Nagara believes that everyone has the right to affordable, quality health care. He has worked to expand access to health care for all Americans, regardless of their income or insurance status. Nagara is a co-founder of the Health Care for America Now campaign, a coalition of organizations that works to achieve universal health care in the United States. He is also a member of the board of directors of the National Health Care for the Homeless Council, a nonprofit organization that provides health care to homeless people.

## **Human Rights**

Nagara believes that all people are entitled to basic human rights, regardless of their race, religion, gender, or sexual orientation. He has worked to protect the rights of all people, both in the United States and around the world. Nagara is a co-founder of the Human Rights Watch, a nonprofit organization that investigates and reports on human rights abuses around the world. He is also a member of the board of directors of the American Civil Liberties Union, a nonprofit organization that fights for the rights of all Americans.

Innosanto Nagara is a true champion for social justice and activism. His work has made a difference in the lives of countless people around the world. Nagara is an inspiration to us all, and his legacy will continue to inspire generations to come.
