Academic writing is an essential skill for students in higher education. It is a form of communication that allows students to express their knowledge and understanding of a topic in a clear and concise manner. Academic writing is used in a variety of settings, including research papers, essays, reports, and dissertations.

International students often face challenges when it comes to academic writing. They may not be familiar with the conventions of academic style or they may have difficulty expressing themselves in English. The Essentials of Academic Writing for International Students is a comprehensive guide that can help international students overcome these challenges and achieve success in their academic writing.

The book covers all aspects of the writing process, from understanding the conventions of academic style to avoiding common mistakes. It also includes practical advice on how to write different types of academic papers, such as research papers, essays, and reports. The book is written in a clear and concise style, and it is full of helpful examples and exercises.

The Essentials of Academic Writing for International Students is an indispensable resource for students seeking success in academic writing. This comprehensive guide will help international students to produce high-quality written work that meets the expectations of their professors and the academic community.

What's Inside the Book?

- A comprehensive overview of the conventions of academic writing
- Practical advice on how to write different types of academic papers
- Tips on how to avoid common mistakes
