From the Pilgrims to the Present

People's History of the United States tells the story of the United States from the arrival of the Pilgrims in 1620 to the present day. It is a story of triumph and tragedy, of hope and despair, of progress and setbacks. But above all, it is a story of the people who have shaped the nation's history.

The book is divided into six parts, each of which covers a different era in American history. Part One, "The Colonial Era," begins with the arrival of the Pilgrims and ends with the American Revolution. Part Two, "The Early Republic," covers the period from the Revolution to the Civil War. Part Three, "The Civil War and Reconstruction," tells the story of the nation's bloodiest conflict and its aftermath. Part Four, "The Gilded Age," covers the period from the end of Reconstruction to the turn of the 20th century. Part

Five, "The Progressive Era," covers the period from the turn of the 20th century to the First World War. And Part Six, "The Modern Era," covers the period from the First World War to the present day.

Told by the People Who Lived It

People's History of the United States is told by the people who lived it. The book is filled with first-hand accounts from ordinary Americans, from all walks of life. These accounts bring the nation's history to life and give readers a sense of what it was like to live through the events that shaped the country.

The book also includes a wealth of illustrations, including photographs, paintings, and maps. These illustrations help to bring the nation's history to life and make the book more engaging for readers.

A Must-Read for Anyone Who Wants to Understand the United States

People's History of the United States is a must-read for anyone who wants to understand the United States. It is a comprehensive and engaging history of the nation, told through the lives of its people. The book is filled with first-hand accounts from ordinary Americans, from all walks of life. These accounts bring the nation's history to life and give readers a sense of what it was like to live through the events that shaped the country.
