What's Inside Taming the Four Wheeled Beast?

Taming the Four Wheeled Beast is divided into four parts:

1. Part 1: Getting Started

This section covers the basics of car maintenance and safe driving practices. You'll learn how to check your car's fluids, change a tire, and drive in different weather conditions.

2. **Part 2: Intermediate Driving Techniques**

Once you've mastered the basics, you can move on to the intermediate driving techniques covered in Part 2. This section covers topics such as cornering, braking, and passing.

3. **Part 3: Advanced Driving Techniques**

Part 3 is for experienced drivers who want to take their skills to the next level. This section covers topics such as high-performance driving, off-road driving, and defensive driving.

4. **Part 4: Troubleshooting**

No matter how experienced you are, there will be times when your car breaks down. Part 4 provides troubleshooting tips for common car problems, so you can get back on the road as quickly as possible.
