Dr. Paul Farmer was a man of extraordinary compassion and dedication, who spent his life working to provide healthcare to the world's most vulnerable populations. He co-founded Partners In Health, a non-profit organization that provides healthcare to people in Haiti, Rwanda, and other developing countries. His work has saved countless lives and inspired millions around the world.

The Quest of Dr. Paul Farmer is a deeply moving and inspiring account of Farmer's life and work. Pulitzer Prize-winning author Tracy Kidder tells the story of Farmer's early life, his medical training, and his work in Haiti and Rwanda. Kidder also explores Farmer's personal life, including his marriage to Ophelia Dahl and his three children.

The Quest of Dr. Paul Farmer is a must-read for anyone interested in global health, social justice, or the life of a truly extraordinary individual. It is a powerful reminder of the difference that one person can make in the world.
