Japan is a land of stunning natural beauty, with countless places to explore and discover. From the snow-capped mountains of Hokkaido to the subtropical islands of Okinawa, there's something for everyone in Japan. Here are 10 of the most beautiful places in Japan that will make you forget the way back.

1. Mount Fuji

Mount Fuji is Japan's most iconic mountain, and for good reason. It's a perfectly symmetrical cone-shaped volcano that rises to a height of 3,776 meters (12,388 feet). Mount Fuji is a popular destination for hikers and climbers, and it's also a UNESCO World Heritage Site.

2. Lake Kawaguchiko

Lake Kawaguchiko is one of the five Fuji Five Lakes, and it's located just north of Mount Fuji. The lake is surrounded by beautiful mountains and forests, and it's a popular spot for boating, fishing, and swimming.
