Translating business is not as simple as it seems. There are a number of factors to consider, such as cultural differences, linguistic nuances, and legal requirements.

In his book, *Translating Business: A Comprehensive Guide to Internationalization*, John Garraty provides everything you need to know about translating your business for global success.

Garraty is an expert in internationalization, and he shares his insights and advice on how to:

- Translate your website
- Translate your marketing materials
- Translate your legal documents
- Work with translation agencies
- Manage your translation projects

Translating Business is a must-read for any business that wants to succeed in the global marketplace.

What's Inside the Book?

Translating Business is divided into three parts:

1. **Part 1: The Basics of Translation**
2. **Part 2: Translating Your Business Content**
3. **Part 3: Managing Your Translation Projects**

Part 1 provides an overview of the basics of translation, including the different types of translation, the role of culture in translation, and the legal aspects of translation.

Part 2 covers the specific steps involved in translating your business content, including website translation, marketing translation, and legal translation.

Part 3 provides guidance on how to manage your translation projects, including how to choose a translation agency, how to set up a translation workflow, and how to track your progress.

Who Should Read This Book?

Translating Business is a valuable resource for anyone who is involved in international business, including:

- Business owners
- Marketing professionals
- Translators
- Localization specialists
- Anyone who wants to learn more about internationalization
