About the Book

The *International Perspectives Journal of Nonprofit Public Sector Marketing* is a leading academic journal that publishes cutting-edge research on the marketing of nonprofit and public sector organizations. The journal provides a forum for scholars, practitioners, and policymakers to share their insights on the latest trends and challenges in nonprofit marketing.

The 13th volume of the journal features a diverse collection of articles that explore a wide range of topics, including:

- The use of social media to engage donors
- The impact of marketing campaigns on fundraising
- The development of effective marketing strategies for public sector organizations
- The role of marketing in promoting social change
- The challenges of marketing to diverse audiences

This volume is an essential resource for anyone who is interested in the field of nonprofit or public sector marketing. The articles provide a wealth of

information and insights that can help organizations improve their marketing efforts and achieve their goals.
