About the Book

In this groundbreaking book, financial expert Deshundra Jefferson exposes the systemic racism that has kept Black people in poverty for generations. She offers practical solutions for healing our money story and building wealth.

Jefferson argues that the key to financial freedom for Black people lies in understanding the historical and cultural factors that have shaped our relationship with money. She explores the impact of slavery, Jim Crow, and mass incarceration on Black wealth accumulation. She also challenges the myths and stereotypes that have been used to justify economic inequality.

Jefferson offers a roadmap for healing our money story and building wealth. She provides practical advice on budgeting, saving, investing, and starting a business. She also emphasizes the importance of financial literacy and community building.

Why Black People Don't Have Money is a must-read for anyone who wants to understand the racial wealth gap and take steps to close it.
